Formal Matters

Substitute Specification

In order to comply with the Sequence Listing Requirements, the present application has been amended as set forth in 37 C.F.R. §§ 1.125(b) to submit a substitute specification, excluding the claims.

The substitute specification is amended in accordance with 37 C.F.R. §§ 1.52(e)(5) and 1.77(b)(4) to incorporate-by-reference sequence listing information submitted herewith in electronic format. The specification is further amended to insert sequence identification numbers. The pages of the claims and the abstract are renumbered so as to correspond to the page numbering of the substitute specification.

In addition to the clean copy of the substitute specification required by 37 C.F.R. §1.125(c), this communication also includes a marked-up version of the substitute specification as required by 37 C.F.R. §1.125(b), showing all the changes (including the matter being added to and the matter being deleted from) to the specification of record.

The substitute specification includes no new matter.

Response to Notice to Comply to Sequence Listing Requirements

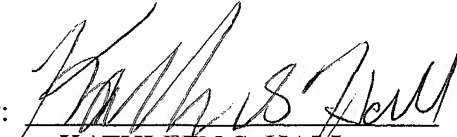

I hereby certify that the enclosed submission contains no new matter. As required by 37 § C.F.R. 1.821(f), all information on CD 'Copy 1', 'Copy 2' and 'CRF' is identical. I hereby certify that the enclosed submission includes no new matter.

The Sequence Listing was prepared with the software FASTSEQ, and conforms to the Patent Office guidelines. Applicant respectfully submits that the subject application is in adherence to 37 CFR §§ 1.821-1.825.

The Commissioner is hereby authorized to charge any underpayment of fees associated with this communication, including any necessary fees for extensions of time, or credit any overpayment to Deposit Account No. 50-0815, order number STAN-212.

Respectfully submitted,

Dated: March 26, 2002
